## Stig

—  
A model for lovers of classic elegance in the barbershop. Chromed frame with decorative sides of the armchair. Vertical stitching on the backrest and seat, and the whole thing is finished with white trimming.

## Dubai

—  
An exceptionally stylish chair. It attracts attention with a golden frame. Profiled seat with interesting stitching and buttons. Wide, very stable base and soft footrest.

## Carlos

—  
The perfect chair for the modern barber. Adjustable headrest, black upholstery with vertical stitching and white trim. Chrome-plated swivel footrest, reclining mechanism and upholstered footrest.

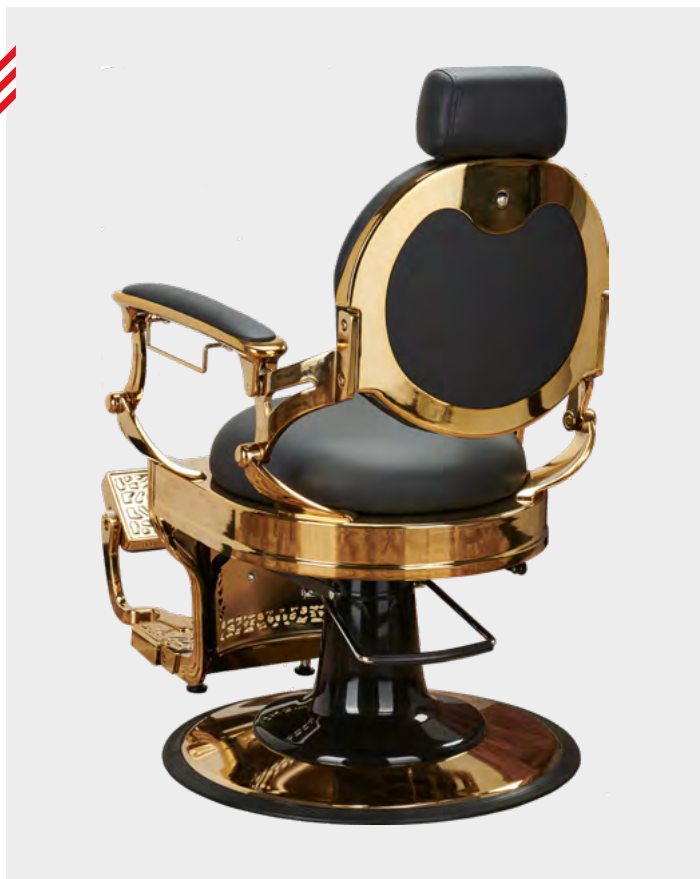

## Tiger

—  
A barbershop classic. Chrome-plated frame with copper elements on the sides of the seat. Smooth black upholstery and upholstered swivel footrest. The black cover of the pump completes the whole.

### Solomon gold

—  
The golden frame and decorative footrest will give the interior a unique character. Reclining to a semi-lying position and a towel holder will ensure comfort of work.

### Solomon black

Old style barber chair. A beautiful black satin base with a decorative footrest and black upholstery is pure elegance. The swivel legrest with upholstered elements guarantees comfort for customers.

## Lion

—  
It can successfully be the focal point of the salon. The quintessence of a traditional barbershop. Fully tilting, with swivel footrest and lots of chrome. The backrest is quilted with buttons. The upholstered element on the seat casing is its distinguishing feature.

## Start

—

A massive, fully upholstered barber chair. The wide, black matte base and footrest are its hallmarks. The adjustable headrest and reclining position guarantee the highest comfort of work.

## Lord black

—  
An elegant chair for a modern barbershop. The white casing of the seat and the delicate chrome base give it the impression of lightness, and the vertical stitching on the black upholstery adds class.

### Lord brown

Upholstery in a beautiful brown shade and white seat casing is a perfect combination. The chrome footrest and decorative elements of the armrests and the headrest add character to it.

## Borg black

—  
The chair attracts attention with diamond stitching and white trim. Reclining to a semi-lying position and swivel footrest guarantee comfort for both the client and the barber.

## Ray

—  
An armchair designed for small barbershops or hairsalons. The reclining backrest guarantees comfort during work. Available on tree types of bases.
